Identify, assess and control your risks

For the purpose of this assessment, you are the licensee of the current business in which you work, and you will complete a risk register.

Part A – Identify and assess

Please identify and assess a minimum **THREE** risks and complete the first 2 columns of the risk register:

- Risk identification
- Risk assessment

The purpose of completing these sections is to identify the risks in your business and to consider the likelihood and consequences of those risks occurring.

Part B – Control your risks

Update **TWO** of the risks identified in part A with the following information:

- Risk control
- Residual risk
- Risk owner
- Time frame

Risk identification	Risk assessment			Risk control	Residual risk			Risk owner	Time frame
Risk	**Impact**	**Likeli-hood**	**Rating**	**Actions**	**Impact**	**Likeli-hood**	**Rating**		
Excessive alcohol consumption	Major	Almost Certain	Very High	Implement RSA procedures, appoint extra security, and set alcohol limits for patrons.	Moderate	Possible	Medium	Licensee & Security Staff	By event day
Physical altercations or injuries	Major	Likely	High	Increase security presence, set up clear rules for conduct, provide first aid on-site, and inform local authorities.	Minor	Unlikely	Low	Event Manager	One week prior
Noise complaints from neighbors	Moderate	Possible	Medium	Notify neighbors in advance of the event, set noise level limits, monitor noise levels with a decibel meter, and end music by a specified time.	Minor	Unlikely	Low	Event Coordinator	Two weeks before the event

Determining the impact of the risk
